## *Kids for Ronald*

Who says you have to be all grown up to make a difference? Lots of kids are coming up with great ideas to help the children and families staying at the Ronald McDonald House! "Kids for Ronald" are kids ages 4-16 that come up with creative ways to raise money for the House and develop their own projects and events to make it happen! There's no question that Kids for Ronald McDonald House learn about leadership and teamwork, but best of all they learn the importance of helping others from an early age. This helps them develop into compassionate adults who will continue to make a difference throughout their lives.

Hey mom and dad! Your child can be a Kid for Ronald and help families and children too! Just call the Ronald McDonald House at 850-477-2273 or email [events@rmhpensacola.org](mailto:events@rmhpensacola.org).

When 9-year-old Blake heard about Ronald McDonald House on the radio, he decided he wanted to raise some money to help families of sick children. With the help of his friends and family, Blake hosted a bake sale at The Blake in Gulf Breeze. After a few hours of mingling with attendees and helping them to select the perfect treat, Blake had raised \$1,000 for the Ronald McDonald House! Way to go Blake!
