A Culinary Experience

HOSPITALITY

Food plays an important role in your overall quality of life and meals are meant to be shared. Our approach to dining is hospitality-driven with restaurant-style choices, a smiling staff, fresh flowers on the table, china and glassware, and a team that genuinely listens. Beyond that, they take pride in serving you and in the thoughtful, well-balanced menus they plan.

QUALITY

The Blake works with the same suppliers of fine local restaurants. That means our chefs can prepare high-quality produce, seafood, meats and seasonal specialties. We are proud to provide signature Southern cuisine that is both delicious and health-focused.

NUTRITION AND EXPERTISE

With years of experience in fine dining, The Blake's chefs and cooks are able to prepare nutritious meals that rival the quality of the best restaurants. Our culinary team focuses on brain foods: nuts and fish rich in Omega-3 fatty acids, beans, greens, fruits and a wide array of nutrient-dense vegetables, both cooked and raw.

BMG Life

BMG Life is an activity-based program comprised of four fundamentals – lifelong learning, individuality, family connections and engagement – to enrich the lives of our residents on a daily basis.

We offer:

- **Calendar Components**: Physical, Spiritual, Monthly Theme, Family Events, Entertainment and Outings.
- **Annual Theme**: Educational and exploration driven, we introduce a new subject each month with different opportunities for residents to engage, reminisce and learn.
- **Tailored programming**: A LifeLong Learning Profile is a detailed background and interest packet that allows our team to get to know each individual and customize our programming to suit residents' individual needs.
- **Family Events**: Families are invited to join us for activities any time and are encouraged to come out to our big events each month like our Taste of The Blake.
